In the Graceful World of Dreams

rivers flow
birds nest
in people's hair

People
accommodate birds
all life
all existence
gracefully

All existence
all life
birds
accommodate people
gracefully

Lakes lie clear
reflect mountains
mountain forest
meadow
mountain sky
people
birds
wild animals
flowers
grasses
brush

Clean Water
reflects all life
gracefully
All life
reflects
clean water
gracefully

Rivers
of clean water

Harmonious music
of clean water

clean wind
animals rejoice

I sing of you
You sing of me

Every Thing
Balances
Graceful

All existence
cares
loves
always has
always will

Clean water
of existence
of thought
every prayer
reflects harmony
Graceful
Grateful
